Book It

Keep reading for Pizza Hut Book It. I am sending home the December calendar to record your time. Send back your November calendar as you get to 6 hours. I really want to encourage you to read with your child each night whether you want to participate in the program or not.

The Thanksgiving lunch was so much fun. The children dressed like Indians . We are learning a native American dance as well to enjoy on Monday with our Pilgrim and Indian celebration.

Published Books

You should have received the class book that we had published last night. Hope you enjoy reading it together. They all did a wonderful job!

What a keepsake!!
