

How do we Know when Practice is Cancelled?

Procedures for Bad Weather Days:

*A decision regarding any cancelled practices will be made by 2:00pm.

*Students will be notified during announcements at 2:15pm. Students will be told to ride the bus home and call parents upon arriving home.

*IF absolutely necessary, the student may call from EO.

*The Track Website will be updated by 2:30pm.

*The S.A.L.L.Y. phone line will be updated by 2:15pm. Call 339-4326, and then follow the voice prompts. Press 3 for sports and 2 for track.

Please use the website or SALLY line to obtain your information rather than calling to ask the office. We will update information as soon as a decision has been made.

Thanks,
