

Dear WAVE parents and guardians:

For each parent letter or other document which is to be signed and returned your child receives a Sand Dollar. Students can also earn Sand Dollars for EO participation which includes bringing a book on Monday, reading, working, and watching Channel One, and writing correctly in their planner.

In October, we will have our first Sand Dollar party. Students can “buy” drinks, food, or trinkets for the sand dollars they earn during the nine-weeks.

We will continue to provide this initiative during the year. We could use your assistance. How, you might ask! Well... we could use any of the following:

- Food items for the concession stand. This could include bags of chips, small candy, cans of drinks, or other edibles.
- Trinkets for the concession stand. This could include stuffed animals, balls, note pads, pencils, pens, games, etc.
- Financial support to purchase items as noted above.
- Assistance in contacting local businesses for contributions(monetary and/or supplies)

Please sign below letting us know you received this letter. Students will receive a Sand Dollar for the return of the letter.

I have read this letter. I will be able to help in the following way:

- _____ Food items*
- _____ Trinkets*
- _____ Financial support*
- _____ Contact assistance

_____ I cannot contribute at this time.

Please send any support*, as noted above, with your child to their EO class. If you can help make contacts we will help coordinate those who will make contacts.

Student name: _____ Parent Signature: _____
